3a	(B) The name of a middle eastern rich sweet dessert, made with layers of filo pastry, chopped nuts and sweetened with syrup or honey etc.	<b>Baklava</b>
3b	(Q) An alternative name for the chemical element with the symbol Hg	<b>Quicksilver</b>
4a	(Q) A result obtained by dividing one quantity by another.	<b>Quotient</b>
4b	(B) A Spanish wine shop or wine warehouse	<b>Bodega</b>
Spare1	(Q) The large muscle that runs down the front of the thigh	<b>Quadriceps</b>
Spare2	(B) The element with Atomic Number 35	<b>Bromine</b>

**Round Three  
Forenames Only**

The setter of this round is fed up with other setters insisting that with surname only answers an incorrect forename, even if not wanted and even if the surname is correct, renders the answer wrong. In this round give the common forenames of the composers whose dates and a well known piece of their music are given. If you give the wrong composer but get the right forename you still get your three points!!

**Example**

**1770 -1827, Pathétique Sonata**

**Ans**

**LUDWIG** ((van) Beethoven)

1a	1833 – 1897, A German Requiem	<b>Johannes Brahms</b>
