**Administrator will contact Pool Setters re. numbers of copies as in the League – See above.**

***Due to concerns of Question Security, spare copies (Emergency Copies) are no longer left in the box at League HQ. Too many (including Secretary's Copies) were disappearing without reason. Requested copies will be available, BUT the Administrator must be notified no later than Tuesday before they are required. This is to enable an additional copy to be requested and a personalised label to be printed – there is no cost.!!!***

The Question Setting guidelines are available from Ian Gibson or can be viewed or downloaded from our website ([www.lanccityquizleague.co.uk/guidelines.pdf](http://www.lanccityquizleague.co.uk/guidelines.pdf)).

If you should need help or guidance in setting, please contact Ian on 07788496978.

***Captains must arrange for an electronic copy of their team's quiz to be sent to the Administrator ([i.gibson@lanccityquizleague.co.uk](mailto:i.gibson@lanccityquizleague.co.uk)) as soon as possible after it has been played (and not before).***

**Please Note:** Following an item for discussion at the 2019 AGM, spare copies of Quizzes will now be available, if requested, from the quarter finals onwards.
